

Coronavirus

Coronavirus or Covid-19 is a new sickness.

To keep you and other people safe:

Wash your hands well and often.

When you cough or sneeze:

- cover your mouth and nose with a tissue or your sleeve.
- Throw dirty tissues in bin.
- Wash your hands well.

Do not touch your eyes, nose or mouth with unwashed hands.

Stay away from crowds.

Do not shake hands or hug.
You can wave.

If you:

- have a cough
- find it hard to breath
- feel hot

You might have Coronavirus or another sickness.

Phone your doctor.

Tell your family or staff.

Your doctor will say what to do.

You might have to stay at home away from other people.

You might have to go to hospital.

The HSE website has information about Coronavirus.
www.hse.ie

You can talk to people about Coronavirus.

The Brothers of Charity Services Ireland has plans about Coronavirus.
